AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION DUI / Vehicle Collision.	CASE NUMBER 14-00284
VICTIM NAME(S)		LSPD

ORIGINAL> 02/03/2014

On this date, I was working a patrol shift as a police officer for the Lake Stevens Police Department. I am currently assigned to the LSPD's investigations unit but was working this patrol shift in another employee's absence. I was wearing my department authorized police patrol uniform and was operating a fully marked LSPD patrol vehicle at the time of this incident.

At about 0500 hours, I was driving east on 20th St SE and I traveled across Highway 9. I observed two vehicles traveling eastbound on 20th St SE about 150 feet in front of me. The suspect vehicle, later identified as having a WA license plate of AMW0252, was the furthest car east. There was one vehicle behind the suspect vehicle, and then myself. At that point, 20th St SE has two eastbound lanes; I was in the left (northern-most) lane of travel, as were the two vehicles traveling in front of me.

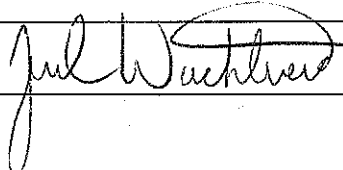

I observed the suspect vehicle drift from the left lane into the right lane and then correct itself back into the left lane; about 1/3-1/2 of the suspect vehicle had drifted into the right lane before correcting. The suspect vehicle's lane drift immediately caught my attention as out of the ordinary and suspicious. I maintained my current distance behind the two vehicles to observe the suspect vehicle.

Within seconds, the suspect vehicle drifted from the left lane into the right lane and onto the raised/curbed walkway on the south side of the road. When the suspect vehicle slammed its way onto the curbed walkway, I saw non-vehicle debris *launch* in different directions from the front of the vehicle. My assumption was that the suspect vehicle had struck a large mailbox. Later, I observed that the suspect vehicle had struck a large community style mailbox; please refer to Officer Aukerman's photographs. This portion of the suspect vehicle's lane drift occurred over the course of about 5 seconds until the suspect vehicle struck the mail box. The lane drift was slow and continuous and did not appear like a sudden steering movement.

After striking the mailbox, the suspect vehicle steered north off of the curbed walkway and back into the right lane of travel, continuing to travel east. Upon observing the suspect vehicle collide with the mailbox, I activated my patrol vehicle's emergency lights, including overhead emergency lights. The suspect vehicle was already traveling slowly at this point, about 20 miles per hour in a 35 mile per hour zone. I got directly behind the suspect vehicle which pulled to the south side of the roadway slowly, over the course of about 15 seconds, before coming to a complete stop. I conducted a traffic stop on the suspect vehicle.

I contacted the vehicle's driver, later identified as Jess Sam. When I reached the suspect vehicle's driver's side door, the window was completely rolled down. I observed Sam's eyes to be watery, red/bloodshot, and droopy. I observed Sam's face to be generally droopy in appearance. When I spoke to Sam, his speech was slow and quiet. I could smell alcohol coming from inside Sam's vehicle when I spoke to Sam. I could not determine if the alcohol smell was coming directly from Sam's breath because he was seated low into his seat with his head

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

sunken back. Also, it was about 28 degrees outside and I have noticed previously that cold weather can affect my ability to smell alcohol (colder=more difficult).

I asked Sam for his driver's license and his vehicle insurance information. Sam gave me his Washington State Identification card from his wallet; I observed that the card had a circular hole punched in it in the top right corner. Sam opened his vehicle glove box and removed an envelope which he handed to me. The envelope contained Sam's vehicle insurance information along with his vehicle's purchase information. I asked Sam why his ID card had a hole punched in it; Sam told me that "it came that way". I asked Sam if he had a driver's license, eventually Sam retrieved his driver's license from his wallet and gave it to me.

I asked Sam how much alcohol he had to drink. Sam told me that he had a "few beers" at a "bar in north Everett". Sam told me that after going to the bar, he went to a friend's house. Sam told me that he was "tired" and that he works a "graveyard" shift. Sam told me that as a result of working a nightshift, he tries to maintain that schedule on his days off. Sam told me that he had not slept yet.

Based on the above facts and circumstances combined with my training and experience as a police officer, I believed that Sam was under the influence of alcohol.

Sam had his vehicle turned off and I asked him to give me the vehicle keys, which he did. Because I was near the ending of my shift (0600), I asked dispatch via radio to contact WSP to see if a Trooper could respond to the scene to investigate Sam's driving impairment while I completed the accident investigation. LSPD's Officer Aukerman had also arrived and photographed the collision scene.

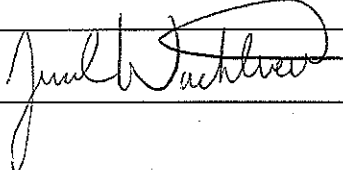

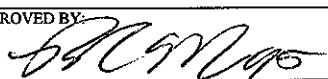

While waiting for WSP to arrive, I observed Sam light and start smoking a cigarette. I contacted Sam and had him put the cigarette out for me. I told Sam not to smoke cigarettes at this time. This occurred about 10 minutes before WSP arrived.

WSP Trooper J. Saucerman (#332) arrived on scene at about 0520 hours. I verbally described my observations of the vehicle collision and why I believed Sam was under the influence of alcohol, described previously in this narrative, to Trooper Saucerman.

Trooper Saucerman contacted Sam who was still in his vehicle. Sam exited his vehicle and participated in voluntary field sobriety tests with Trooper Saucerman. I also observed that Sam provided a PBT sample with Trooper Saucerman. Trooper Saucerman took Sam into custody for DUI and placed him in handcuffs.

Trooper Saucerman transported Sam to the Lake Stevens Police Department in her patrol vehicle. I also returned to the Lake Stevens Police Department. Officer Aukerman remained on scene of the collision and waiting for a tow truck to arrive to impound Sam's vehicle, please refer to his report for details.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION DUI / Vehicle Collision.	CASE NUMBER 14-00284
VICTIM NAME(S) 		LSPD ORIGINAL

Upon arriving at the Lake Stevens Police Department, I observed that Sam was sleeping in the back seat of Trooper Saucerman's patrol vehicle. Trooper Saucerman had difficulty waking Sam up, taking about half a minute or more for Sam to become alert. I observed the same happen when Saucerman was administering the BAC test, in which I assisted Trooper Saucerman in waking Sam. I patted Sam's facial cheeks and his chin several times without Sam becoming alert. It again took us about half a minute or more to wake Sam.

➤ 02/04/2014

I contacted Justine Irvine via the telephone number that she called 911 with. She told me that she would contact officers tonight to turn in her written statement regarding this case.

Recommendations:

I recommend that a copy of the case report be faxed to WSP Trooper J. Saucerman (#332) to attach to her case report. WSP will be filing the DUI charges.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION IMPAIRED DRIVER INV/VEH COLLISION	INCIDENT NUMBER 14-00284
NAME OF VICTIM(S)		

OFFICER:

On the date and time of this incident I was wearing a full Lake Stevens Police Department issued duty uniform which includes shoulder department patches and a chest badge which clearly identified me as a law enforcement officer. On the date and time of this incident I was operating a marked Lake Stevens Police Department patrol vehicle. On the date and time of this incident I had legal authority to arrest. I have been a city of Lake Stevens Police Department Police Officer for 14 years.

SUMMARY:

In the early morning hours of 02/03/2014 Det. Wachtveitl observed a passenger car drive onto the sidewalk in the 9900 block of 20th Street SE and strike a large metal US postal mail box. The driver was contacted and suspected of impaired driving. Washington State Patrol conducted the impaired driver investigation; arresting the driver. The driver's vehicle was impounded.

FOLLOW UP NARRATIVE:

On 02/03/2014 at about 0501 hours (all times approximate) I responded to assist Det. Wachtveitl on a traffic stop in the 9900 block of 20th Street SE, in the city of Lake Stevens, where the stopped vehicle had been observed to be involved in a collision with a large metal US Post Office community mailbox.

There had also been a witness, Justine Irvine, who had observed the vehicle collision and called 911.

As I approached the scene where Det. Wachtveitl had the vehicle stopped, with emergency lights activated on his fully marked patrol car, I observed debris and a damaged US Post Office community mailbox. I made contact with Det. Wachtveitl, who had been talking to the male driver (Jeff Sam DOB 1992) who had been operating a motor vehicle bearing Washington State #AMW0252 (a 2006 Suzuki passenger car).

Det. Wachtveitl informed me he had seen the passenger car drive out of the eastbound lane of travel, enter onto the sidewalk and strike the large metal mailbox. Det. Wachtveitl indicated he believed the male driver of the vehicle may be impaired; having smelled the odor of intoxicants and seeing the drivers' eyes to be bloodshot and water. Also Det. Wachtveitl stated the driver admitted to having consumed liquor earlier.

A Washington State Patrol Trooper (WSP) was requested to handle the impaired driver portion of the incident. I had no contact with the male driver and began taking digital images of the scene and vehicle.

At about 0520 hours WSP arrived on scene. At about 0529 hours WSP placed the male driver of the vehicle into custody.

I completed the vehicle impound while WSP and Det. Wachtveitl went to the Lake Stevens Police Department to continue the impaired driver investigation.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

<small>NAME OF VICTIM(S)</small>		

I completed the Uniform Washington Tow/Impound form. Rescue Towing arrived on scene at about 0549 hours, taking custody of the vehicle.

At about 0546 hours I called witness Irvine. Irvine informed me over the phone that she had witnessed the passenger car before the collision and the collision. Irvine informed me that she had been following the passenger car eastbound on 20th Street SE from the Highway 2 Trestle when she noted the passenger car's very poor lane travel. Irvine described the vehicle as having gone over the center dividing lane lines and onto the shoulder of the roadway several times and that the vehicle speeds were erratic. Irvine stated she had caught up to the vehicle at the intersection of 20th Street SE and 91st Ave, where the vehicle had to stop at a red traffic light. Irvine stated she called 911 to report the incident. Irvine stated as she followed the vehicle eastbound on 20th Street she observed the passenger car drive onto the sidewalk and strike the mailbox and having seen the police officer stop the vehicle.

At about 0556 hours I met with Irvine at her residence and supplied her with my business card and a witness statement form to complete. Irvine was given instructions to call 911 when her statement was completed and/or to drop it off at the Lake Stevens Police Dept.

I went to the Lake Stevens Police Dept., where WSP was still conducting the impaired driver investigation with the driver, and supplied the WSP Trooper with the driver's copy of the impound form. I then faxed the impound form to SnoPac to have the vehicle entered as having been impounded.

At about 1630 hours I transferred the digital images of the scene and vehicle I had taken with my camera onto a CD-R. I then logged the CD-R as evidence and secured the CD-R evidence in a secure evidence drop bin at the Lake Stevens Police Dept.

END OF REPORT.
